A Language....

- Reflects the way we interpret the world
- The way we express our feelings
- Our relationships with other people
- Our position or social respect:
 - Kimi -> Anata -> Anata-Sama
 - Omae, Kun, San, Sama, Dono...

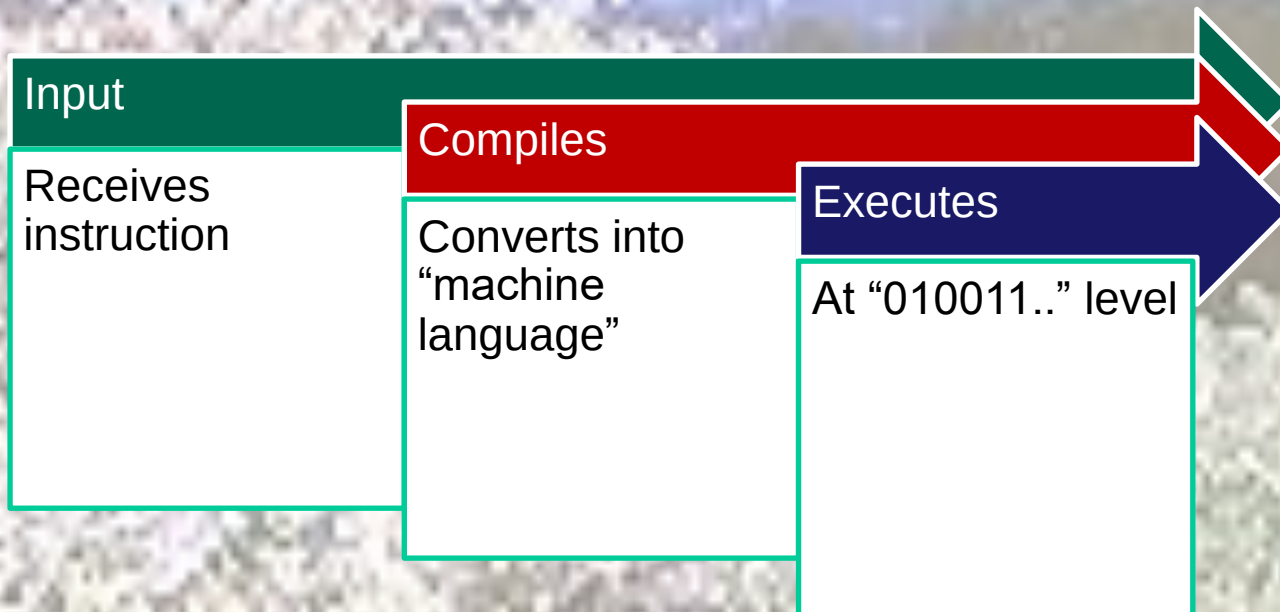

BACKGROUND - 1

- 大阪外大で
 - Pre Classes:
 - Learn Hiragana and Katakana before course starts
 - Class Begins:
 - Statement 1: 私はマヌエルです。
 - Statement 2: コロンビア人です。
 - Statement 3: 日本語は大変難しいです。

BACKGROUND-2

- If you tell a 3 years kid “he is bad for math”, probably he Will never learn how to multiply.
- CASE:
 - A 3rd grade student is asked to sing
 - Starts singing.....
 - “**Shut up!** You’ll never be able to sing”, was scolded by his professor.

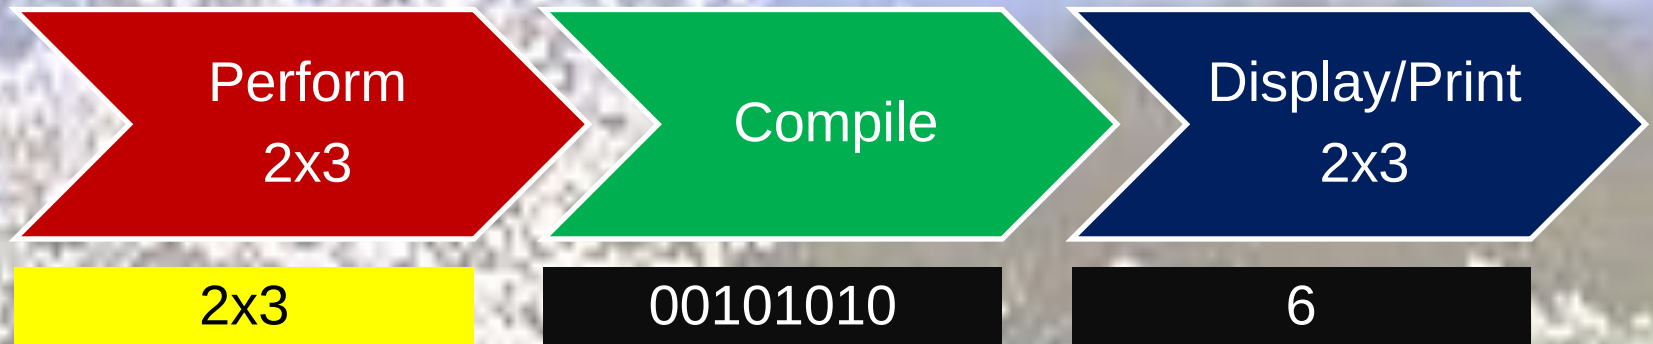

筑波大学で EUREKA MOMENT: ;Is like computes! 010100111100011...

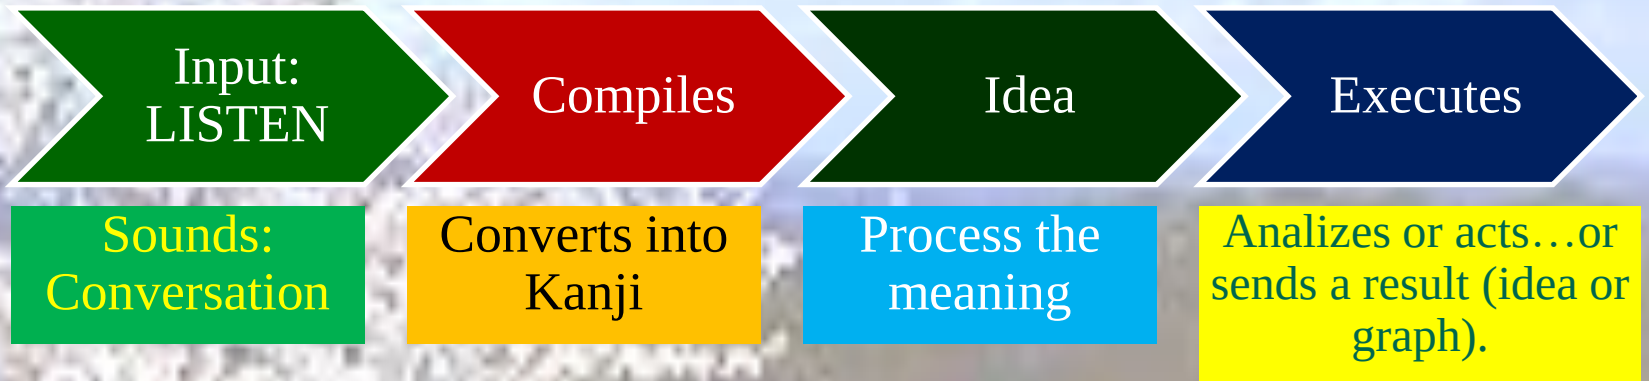

“AHA Moment”

**The secret is:
Japanese have a
Kanji compiler in
their brains!**

A Computer
